# About Us

Universal Concepts is one of the oldest family-owned Commercial Decor companies in the United States. Since 1980 we have been providing the highest quality, longest-lasting, and most beautiful decorations in the industry.

Our dedication to quality, service and creativity is simply unparalleled. Our partnership with factories throughout the U.S., Europe, the Far East, Canada and Mexico insures that we are on the leading edge of technology, decorating trends and competitive pricing.

If you are looking for design and implementation of a truly unique concept, look no further. Our strength is the ability to work within any budget, design, or concept. No project is too large or too small.

The following pages show only a small portion of our available products! Go to [www.christmasdecorandmore.com](http://www.christmasdecorandmore.com) to learn more about our company, product and services.

Giant Christmas trees... nothing is  
more impressive!

From 18 feet to world record status...your panel tree can “grow” every year, and it’s made in America with a solid steel frame! At 137 feet, we held the Guinness World Record for panel tree height for 8 years!

*to fit any budget!*
